Gentlemen:

Your Mobil Federal #1 well, located SE 36-24-1, is being shut-in today, due to the expiration of the temporary Form C-110 approved by the New Mexico Oil Conservation Commission on February 23, 1965.

This well will remain shut-in until a new Form C-110 has been approved by the Oil Commission authorizing us to resume production from the well.

If we can be of any assistance in this matter please advise.

Very truly yours,

EL PASO NATURAL GAS COMPANY
