Dear Mr. Kendrick:

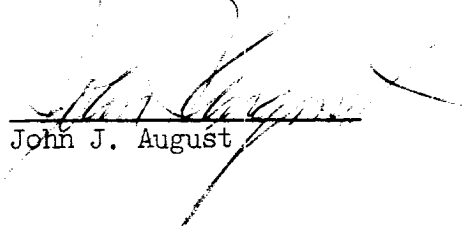

Thank you for sending us the necessary forms C-115 for subject well.

We will appreciate you advising us as to your further requirements to re-instate the gas allowable for this well.

As we have not yet recovered our frac oil it appears we have a gas well.

Also, the temporary Form C-110 approval expired on April 25, 1965. Will you please advise as to the procedure necessary to resume production from this well.

Very truly yours,

John J. August
