CONTINENTAL OIL COMPANY

P. O. Box 1621 Durango, Colorado Hovember 22, 1965

New Mexico Oil Conservation Commission P. O. Box 2088 Santa Fe, New Mexico

Gentlemen:

On October 21, 1965, we sent you an application to dual complete Jicarilla Apache 30 No. 4 in the Dakota and Gallup Formation. Please disregard this application as the Dakota zone was tested and determined to be non-commercial.

Our present plan is to abandon the Bakota and dual complete the well in the Gallup and Chacra. The required application will be sent to you.

Very truly yours,

Original Signed by H. D. Haley
