Durango, Colorado

Gentlemen:

Your well, Jicarilla 28 #3, Gallup and Dakota is tied-in and ready for production of casinghead gas as of February 4, 1966.

Due to necessary forms not being filed with the New Mexico Oil Conservation in Aztec, we do not have authority to produce this well.

D-34-25-4

Please advise.

Very truly yours,

EL PASO NATURAL GAS COMPANY
