Re: Santa Fe 079882

Gentlemen:

Receipt is acknowledged of your "Notice of Intention to Drill" dated March 5, 1956 covering your well No. 1-17 Slagel-Govt in SE¼ sec. 17, T. 25 N., R. 6 W., N. M. P. M., Rio Arriba County, New Mexico, Canyon Largo ext.

Your proposed work is hereby approved subject to compliance with the provisions of the "Oil and Gas Operating Regulations" revised May 25, 1942, a copy of which will be sent to you on request, and subject to the following conditions:

1. Drilling operations so authorized are subject to the attached sheet for general conditions of approval.
2. Furnish copies of all logs.

Very truly yours,

P. T. McGrath
District Engineer

DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

Propose to drill well to Pictured Cliffs formation, or 2750', or production whichever is the lesser.

Propose to set approximately 175' of 8-5/8" casing with cement circulated to the surface.

Propose to cement 5½" casing through or on top of producing zone if production is encountered.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.
