Re: Floyd J. Ray
Bogey #1, P-33-24N-4W

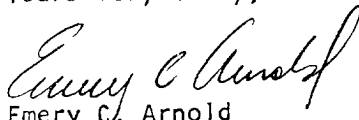

Dear Mr. Ray:

Our records indicate the above well was drilled in October, 1969. We have received Sundry Reports and Federal Record Form 9-330. We also received copies of Notice of Intention to Plug and Abandon but have not received subsequent report of plugging and abandonment.

Will you please file five copies of Federal Form 9-331 with the U. S. G. S. office in Farmington, New Mexico giving details of plugging and abandonment? They will forward two copies to us.

Thank you.

Yours very truly,

Emery C. Arnold
Supervisor, District #3
