Dear Mr. Elenbogen:

Enclosed is an approved copy of the Notice of Intention to Drill for your McKay #1 well, located in the southwest of the southwest quarter of Section 14, Township 24 North, Range 2 West, Rio Arriba County.

We require five copies of the Notice of Intention to Drill on state or fee land. In this case we have made two extra copies on our Xerox. If future wells are drilled on fee land, please submit five copies to this office.

I also note that you did not indicate the amount of acreage to be dedicated. I have checked our GLO plats and found that the southwest quarter of Section 14 contains 160 acres and have filled in this information for you. If this is not correct please let me know.

Yours very truly,

Emery C. Arnold
Supervisor, District #3
