1. Outline the acreage dedicated to the subject well by colored pencil or by ink links on the plat.
2. If more than one lease is dedicated to the well, outline each and identify each as to working interest and royalty.
3. If more than one lease or interest in a lease is dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, pooling, etc.?

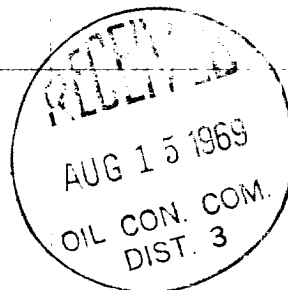

X Yes ☐ No ☐ If answer is "No," type of consolidation **Unitization**

If answer is "No," do the owners and tract descriptions within the unitization area appear on the reverse side of the plat or on another plat?

If answer is "Yes," do all interests have been consolidated by communitization, unitization, pooling, etc. (Note: standard unit, eliminating such interests, has been approved by the Commission.)

SECTION 2

CERTIFICATION

I hereby certify that the information furnished herein is true and correct to the best of my knowledge and belief.

ORIGINAL SIGNED BY
LARRY A. AIMES

Petroleum Engineer

El Paso Natural Gas Company

August 15, 1969

I hereby certify that the well location and acreage dedication was made from field notes and surveys made by me or under my supervision and that the same are correct to the best of my knowledge and belief.
