Gentlemen:

Our copy of Notice of Intention to Drill for the above well was received on November 13, 1969. No further reports have been received for this well. If the location has been abandoned please file five copies of Federal Form 9-331 so indicating with the U. S. G. S. office in Durango, Colorado. If the well has been drilled, please file the proper drilling and completion forms with the same office.

Thank you.
