Dear Mr. LeMay:

Request for Unorthodox Location - Jicarilla 28 No. 9,  
660' FNL & 970' FEL, Section 28, T25N, R4W,  
Rio Arriba County, New Mexico - Mesaverde Pool

Conoco Inc. respectfully requests administrative approval of the unorthodox location for the subject well.

This well is currently completed as an oil well in the West Lindrith Gallup Dakota. Conoco is proposing to recomplete the well to the Mesaverde with the possibility of a dual completion in the future. Conoco is the only operator with Mesaverde rights offsetting this well.

Attached is a lease map and Form C-102 showing this well location and dedication. Please contact Ms. Kandy Lawson at (505) 397-5826 if you have any questions.

Yours very truly,

David L. Wacker  
Division Manager
