TITLE
This form is to be filed in compliance with rules and regulations.
If this is a request for allowance for a newly drilled or reworked well, this form must be accompanied by a tabulation of the production tests taken on the well in accordance with RULE 10.
All sections of this form must be filled out completely for newly drilled or newly completed wells.
Fill out only Sections I, II, III, and IV for changes in operator, well name or number, or transporter, or other such change of information.
Separate Forms OCM-04 must be filed for each newly drilled or newly completed well.
