RE: Conoco Inc., Cougar #2, K-36-25N-02W, 30-039-20780

Dear Rand:

The above-mentioned well was found inactive and not in compliance with Rule #201, 202 & 203 on June 6, 1997. Conoco Inc. had six wells to bring into compliance. After several extensions, they were directed to plug & abandon the Cougar #2 before January 15, 1998.

As I understand Jimmy Carlisle, they are willing to P&A the well but they are having problems with the land owner giving them access to the well. He asked that you send a letter to him with anything that could help him get access to the well.

Please send letter to: Attn: Jimmy Carlisle  
Conoco Inc.

Sincerely,

Johnny Robinson
