Jicarilla B #16, K-29-24N-05W (PC)

To Whom It May Concern:

Thank you for responding to Memorandum (3-91-10) dated December 27, 1991, however, you failed to submit the plans to bring these wells into compliance that were to be in this office by June 30, 1992. These wells are still inactive and require P&A or TA approval under Rules 201, 202 and 203. Your failure to respond will result in violation of Rule 201. If you do not respond by October 1, 1993 we may assess fines or take other appropriate measures.

Sincerely,

A handwritten signature in cursive script that reads "Dianna K. Fairhurst".

Dianna K. Fairhurst
