RE: Request for Permission to Vent Gas

Dear Mr. Howell:

Nassau hereby requests permission to vent gas on the following wells:

Chacon Federal #2	^{E 33} G-20-T24N-R03W	NM 02402
Chacon Federal #3	O-29-T24N-R03W	NM 02402
Chacon Federal #6	D-20-T24N-R03W	NM 02402
Chacon Hill #1	O-20-T24N-R03W	SF 079456

These wells were acquired from ARCO earlier this year and Nassau would like to test and evaluate whether it is economically feasible to install a compressor. Attached are copies of C-129 forms (Application for Exception to No-Flare Rule 306) which have been submitted to the NM Oil Conservation Division.

Please let us know whether anything further is required to meet BLM requirements.

Thank you,

Fran Perrin
