Re: Division Order No.SWD-554

Dear Mr. Phillips,

Upon reviewing the above mentioned order, the Aztec district office of the Oil Conservation Division has requested an additional condition for the subject well. Prior to commencing injection operations into the Jicarilla Apache Tribal 124 Well No.7, the operator shall run a cement bond log to verify location and quality of cement squeeze operations.

This condition is hereby made part of Division Order No.SWD-554.

Sincerely,

William J. LeMay
Director

WJL/BES
