REMARKS (Set of DIRECTIONS. Clearly state all pertinent details, and give pertinent dates, including estimated date of starting and proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

In response to the recent decision of the Oil Conservation Division, i.e. Order No. R-8106, we find it necessary to change the pool designation and acreage dedication from the Otero-Gallup Oil Pool with 40 acre dedication to West Lindrith Gallup-Dakota Oil Pool with 160 acre dedication.

Please note also that this well was previously the Jicarilla "L" # 4-E and is now changed to the Jicarilla "L" # 10.

I hereby certify that the foregoing is true and correct
