Gentlemen:

Reference is made to your Applications for Permit to Drill (APDs) wells No. 1-A Ora and 2-A Ora, SW $\frac{1}{4}$ SW $\frac{1}{4}$ and SE $\frac{1}{4}$ SE $\frac{1}{4}$ respectively. Both are in sec. 21, T. 25 N., R. 3 W., Rio Arriba County, New Mexico, on lease Santa Fe 080536. As discussed with Mr. Frank Elliott of your Company on September 8, 1983, the subject APDs are hereby rescinded and returned due to drilling operations not being commenced within a six month extension period following the original approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill sites. If this office does not receive comment within 15 days, it will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, will result in assessment of liquidated damages.

Sincerely yours,

R. Baughman
