Re: ~~Denny #2~~ *P-4-25N-1E
Cido #4 A-9-25N-1E

Gentlemen:

A recent field inspection reveals that the referenced wells have been plugged and abandoned.

We have not received subsequent reports of P&A, in violation of Rule 202-A.

Please file these reports as soon as possible, so we may remove the wells from active status and put them in their proper category. I also noticed that the dry hole marker has been removed from the Cido #7. This must be replaced.

Yours truly,

A handwritten signature in cursive script, reading "Charles Gholson".

Charles Gholson
Deputy Oil & Gas Inspector
