

AFFIDAVIT OF WORK PERFORMED

STATE OF ARIZONA)
COUNTY OF PIMA) ss.

CHESTER A. OAKLEY, being first duly sworn, deposes and says:

That he is a citizen of the United States and more than twenty-one years of age, and resides in Pima County in the State of Arizona, and is personally acquainted with the herein described work performed under his supervision.

Such work was performed by Southwest Surveys, Inc., of Farmington, New Mexico, on November 16, 1983, for the purpose of running a directional survey of drill hole identified as CIDO #2, located in Section 16, T25N, R1E, New Mexico Principal Meridian, Rio Arriba County, New Mexico.

A-16-25N-1E

The log of the directional survey of said drill hole is attached hereto and is hereby made a part of this Affidavit, and is summarized as follows:

From 0 feet to 1830 feet depth, the depth and inclination are accurate. From 1830 to 2483 feet depth, the depth, inclination, and bearing are believed to be accurate.

The instrument used was a magnetic multi-shot directional probe.

The affiant believes, to the best of his knowledge, that the survey is an accurate representation of the inclination and bearing (below casing) of CIDO #2 as herein identified.

Dated this 23 day of December, 1983.

Signed
