Dear Mr. Dunn:

Field inspections conducted by Jackie Neckels from the BLM on August 19 and 25, 1993 revealed that the above mentioned pits have been netted as per requested. The pits are now in compliance and no longer require C-134's.

If you have any questions please feel free to call this office.

Yours truly,

*Dianna K. Fairhurst*

Dianna K. Fairhurst  
Deputy Oil & Gas Inspector
