All distances must be from the corner boundaries of the Section.

Operator W. B. MARTIN & ASSOCIATES			Lessee MARTIN-WHELFER		Well No. 52
Well Letter D	Section 20	Township 21N	Range 4W	County Rio Arriba	
Actual Footage Location of Well: 840 feet from the North line and 520 feet from the West line					
Ground Level Elev. 6729	Producing Formation Gallup-Lakota		Pool: South Linarith Gallup-Dakota Extension		Dedicated Acreage: 40 1/4 Acres

1. Outline the acreage dedicated to the subject well by colored pencil or hatchure marks on the plat below.
2. If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to working interest and royalty).
3. If more than one lease of different ownership is dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, force-pooling, etc?

☐ Yes ☐ No If answer is "yes," type of consolidation _____

If answer is "no," list the owners and tract descriptions which have actually been consolidated. (Use reverse side of this form if necessary.) _____

No allowable will be assigned to the well until all interests have been consolidated (by communitization, unitization, forced-pooling, or otherwise) or until a non-standard unit, eliminating such interests, has been approved by the Commission.
