13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleting horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleting in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

On 6/14/01 Amoco sent update to P&A to advise that the plug and abandonment operations had not been initiated and it was our intention to commence P&A operations within the 3rd or 4th quarter of 2001. *Please withdraw our NOI to P&A*

BP America respectfully requests to T&A the subject well in order to hold for rehabilitation of the DK or for a future saltwater disposal well. Please see the attached procedure.

14. I hereby certify that the foregoing is true and correct.
