Re: San Juan 27-5 Unit 8A, E-32-27N-05W, API 30-039-22309

Dear Mr. Fine:

The 2000 Packer Leakage Test on the referenced well indicates communication between the producible zones. In order to comply with Rule #112A, you are hereby directed to initiate remedial activity and retest the well to show separation of the zones prior to September 15, 2000. Notify the Aztec OCD in time to witness the retest.

Feel free to call me at 334-6178, ext. 16, if I can be of any help.

Sincerely,

Charlie T. Perrin
Deputy O&G Inspector
