Rio Arriba County, New Mexico

Dear Mr. Chavez:

Enclosed for your files and records is Oil Conservation Division Form C-103, submitted in triplicate, in reference to the above captioned Well. This is in response to your certified correspondence to NM&O Operating Company ("NM&O") dated October 31, 2000 to bring the subject Well (and others) into compliance with the Division's Rules and the New Mexico Oil and Gas Act, and my response to you dated December 11, 2000 concerning same.

The North Lindrith #23-1 Well was not completed by the original well operator, Mesa Grande Resources, Inc.. Pursuant to the enclosed Form C-103, NM&O has completed the Well and only awaits the completion of surface facilities and the issuance of a NMOC D Pooling Order prior to commencement of production operations.

Please call if you have any questions concerning this matter.

Very truly yours,

Larry D. Sweet
