Gentlemen:

Upon reviewing our files we found that the Application for Permit to Drill (APD) for Federal lease NMSF 078912, Lindrith B #106 well was approved on August 12, 1998. On July 15, 1999, our office approved a one year extension on the APD.

The well has not been drilled and the one year extension on the APD expired July 14, 2000. If Conoco, Inc. plans to drill the well in the future, a new APD must be filed.

If you have any questions, please feel free to contact me at (505) 761-8910.

Sincerely,

Angie Medina-Jones
