Gentlemen:

Upon reviewing our files we found that an Application for Permit to Drill (APD) for the AXI Apache J 21B well was filed on May 18, 2000, and approved July 20, 2000. The APD expired July 20, 2001. The well was not drilled and a new APD must be filed if Conoco, Inc. plans to drill the well in the future.

If you have any questions, please feel free to contact me at (505) 761-8910.

Sincerely,
