Dear Sir:

The enclosed reports cover operations at our Federal-Sapp Well No. 1, only recently completed. It was our understanding that these reports were to be furnished you by Mr. J. V. Fritts of Albuquerque, New Mexico and we only now discovered that we had no file copies of reports due you. For this reason we are submitting the enclosed and ask that you kindly return two copies of each report, in the event they have previously been submitted.

Very truly yours,

HAYNES & V.T. DRILLING CO.
