Administrative Order NSI-128

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Tanner Unit Well No. 1, located 1010 feet from the South line and 970 feet from the West line and in the SW/4 SW/4 of Section 21, Township 24 North, Range 12 West, San Juan County, New Mexico.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the SW/4 of said section.

By authority granted me under provisions of the Rules and Regulations of the New Mexico Oil Conservation Commission, you are hereby granted an exception to Rule 104 (b) (2) for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey, if this well is on federal lands.

Very truly yours,
