*Att: Mr. C. D. Hansen, Production Superintendent*

*Dear Mr. Hansen:*

*We are returning Form C-128 which you have submitted on your #1 Huerfano Government well located in the NE<sup>1</sup> Section 13-24N-10W. This form has been revised and we are sending you a supply of the revised forms.*

*As Form C-128 is being filed at this time for the sole purpose of changing the acreage dedication, it is not necessary that it be signed by the surveyor who staked the location. Simply spot the well, outline the 80 acres to be dedicated on the face of the plat, answer all questions regarding ownership, and sign for the operator on the right hand side of the page.*

*Standard dedications in the Bisti Lower Gallup Pool call for North Half or South Half dedications of the quarter-section in question.*

*If we can be of further service, please let us know.*

*Yours very truly*

*Emery C. Arnold  
Superbisor, District #3*
