Per your request dated May 23, 1968, addressed to Harry L. Bigbee, concerning his Nancy No. 3 Well located in the SW $\frac{1}{4}$ of Section 12, Township 24 North, Range 8 West, enclosed please find three copies of State Form C-102.

Form C-115 will, in the future, reflect both the Nancy No. 3 and the Nancy No. 4 Well as being in an undesignated Dakota pool.

In regard to tabulation of deviation survey, it is my understanding that Mr. J. A. Flint was to file this with your office this date.

Formation tops below the old total depth are as follows:

Please feel free to request any further information you may need on this well.

Very truly yours,
