13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

M & M Production & Operation intends on testing for a hole in the casing by squeezing with a packer. If feasible we will repair and begin producing the well as soon as possible. If found that we are not able to repair the casing we will plug this well.

M&M Production & Operation is currently on waiting lists for a workover rig and estimate it to be another 30 days at least.

14. I hereby certify that the foregoing is true and correct
