On December 8, 1964 we forwarded to your office Form 9-331-C, Application for Permit to Drill, for our Govt. Lowndes No. 1, Section 25-24N-8W, San Juan County, New Mexico.

When filing this application, we neglected to indicate that well would be drilled as a "Tight Hole." Would you please insert this information in your files and be governed accordingly.

Yours very truly,
