Dear Sir:

A recent check of our records indicates that our files are incomplete on your #1 Fannin-White, Section 13-24N-12W. Notice of Intention to Drill was filed July 16, 1956. Subsequent Reports were filed on where casing was run and on Sand-oil fracturing operations.

Federal
Will you please file a copy of the Well Record on this well with this office so that we may complete our files.

Yours very truly
