Supervisor and Oil & Gas Inspector
Oil Conservation Commission
District No. 3
Farmington, New Mexico

Dear Emery:

I received your note concerning the drilling of the new well on Section 12, Township 24 North, Range 8 West, San Juan County, New Mexico. As you note, the form of Application for Permit to Drill, deepen or Plug Back correctly shows my name as operator and correctly shows the location of the property in San Juan County. As you further correctly note, the acreage dedication plat prepared by the surveyor erroneously showed Bco, Inc. as the operator and the land in Rio Arriba County. I have crossed out Bco, Inc. and had typed in Harry L. Bigbee and have initialled the same. Also, I have crossed out the circled words "Rio Arriba" and inserted San Juan County and have initialled this change on the two copies that you sent to me. The two corrected copies are returned herewith.

Very truly yours,

Harry L. Bigbee
