(Other)

(NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.) *

The BLM by their letter dated 8/1/84 has elected not to acquire this well for use as a water well. Copy of their letter is attached.

We intend to plug the existing perfs (1566 - 1626) with 150 sacks of cement from the surface. This should put about 18 sacks in the formation and leave the 4 1/2 full of cement from 1707 to the surface. A 6' dry hole marker will be placed in the cement at the surface.
