13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Request extension of time to abandon well until March 31, 1992.
Road conditions will not allow equipment to get to location without extensive work. The well will be plugged as soon as roads allow access.

Also, plan to use Class B + 3% gel to cement.
