Elm Ridge Resources filed a Sundry Notice dated December 6, 2000 and have not received the approved copy back. Elm Ridge Resources plans to move a rig onto this well by the end of February 2002. We suspect this well has a casing leak, but it was non-producing when we purchased it. We will file the appropriate paperwork at the time we move a rig on and ascertain what is wrong.

Well must be in compliance with Rule 2018 Before 5-01-2002

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
