13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

A test on 6-16-94 demonstrated a rate of approximately 50 MCFD and 15 BWPD. A water disposal facility is being developed in the area so that this well can be returned to production. We understand that this satisfies your requirement to keep this lease active. Please notify us if this is not the case.
