We are requesting off lease measurement in accordance with Regulation Amendment 43CFR.7-3. The previous owner/operator, Coleman Oil & Gas, laid the gas line from the Anderson #2 to the Anderson #1. The pipeline is strictly on the lease. It is measured at an off lease meter owned by Elm Ridge Resouces. M&M has maintained this line since the purchase of the wells in 1995.

All interest and royaulties are the same for both the Anderson #1 and Anderson #2.

A map is attached showing the existing pipeline.

A copy of the Coleman Oil & Gas approved off lease measurement is enclosed.

14. I hereby certify that the foregoing is true and correct
