Farmington, New Mexico 87401

Re: Kimbell Oil Company
Federal #3
L-34-25N-6W

Dear Ed:

As we discussed in my office October 9, 1979, the subject well has a casing failure which has been isolated with a packer and packer fluid, and presently there are indications that the packer has failed recently. Please test this well as we discussed and report your findings to this office. Contact this office prior to conducting any test so that we may arrange for a witness to be present.

Yours truly,

Frank T. Chavez
Deputy Inspector
