Re: Canyon Largo Unit 319
SW/4 Section 28, T25N, R6W
Rio Arriba Co., New Mexico

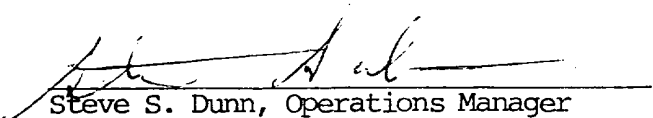

Dear Mr. Chavez:

We hereby request approval for unorthodox location for the above captioned location because of reentry of an existing wellbore. The original well was the Kimbell Coral Unit 28-1, a Dakota Formation well, which we purchased to plug back to the Gallup Formation.

We would appreciate your assistance in this matter.

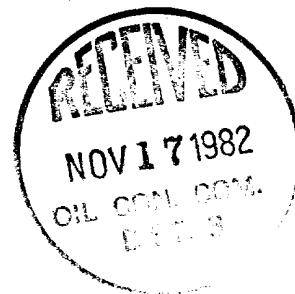

Sincerely yours,

MERRION OIL & GAS CORPORATION
