Western Natural Gas Company  
823 Midland Tower  
Midland, Texas

Gentlemen:

A recent check of our records indicates that our files are incomplete on your #3 Nordhaus well in Section 17-25N-7W. We have never received an initial potential on this well and are therefore unable to determine whether or not it is a producing well.

Will you please file the above information with this office.

Yours very truly

Emery C. Arnold  
Supervisor, Dist. #3
