Contract 155, K-32-26N-5W*

*Gentlemen:*

*This well was connected to El Paso's pipeline system August 24, 1961 and has never been assigned an allowable because an initial deliverability test has not been filed.*

*It will, therefore, be necessary that we issue a shut-in notice on this well unless an initial deliverability test is received prior to February 15, 1962.*

*Yours very truly*
