Dear Mr. Eby:

This is in response to your letter dated November 3, 1965, regarding reserve pit on our Canada Ojitos Unit No. 9 (C-2) well and our Puerto Chiquito Unit G-34 well.

Please be advised that we are making progress in cleaning the reserve pit on the Canada Ojitos Unit No. 9, and anticipate that the job will be completed shortly.

With regard to the Puerto Chiquito Unit No. G-34, we have gathered up the material with a small gin truck, and plan to move everything from the location in the very near future.

Yours very truly,
