Re: El Paso Natural Gas Company
Johnston State Well No. 3
W/2 32-26N-6W

Attention: Mr. Harry Gervin

Gentlemen:

We have received a copy of New Mexico Oil Conservation Commission Form C-121, intention to drill and C-125-approval well location and acreage dedication. This C-125 shows El Paso Natural Gas Company as the operator and states that it is the only owner in the indicated acreage.

Our records reflect that the W/2 is in lease H-291, Assignment No. 45, El Paso Natural the record owner and the W/4 is in lease H-291, Assignment No. 47, Southern Petroleum, Inc., and El Paso Natural are the record owners. Therefore, since this acreage is not only in two different assignments but is also two record owners this acreage will have to be communitized upon final completion of this well before allowable is produced on the 320 acres.

Very truly yours,

MURRAY E. MORGAN,
Commissioner of Public Lands
