Aztec, New Mexico

Dear Mr. Arnold:

Reference is made to your Notice of June 13, 1958 regarding 160 acre spacing in the Tapacito Pictured Cliffs Field. Enclosed please find Form C-128 showing the dedicated acreage as 160 acres on the following Southern Union Gas Company wells located in this field:

Jicarilla #2-A
Jicarilla #2-G

Please disregard Form C-128 dated June 19, 1958 on the Jicarilla 2-B well. This well is producing from the Mesaverde formation and our original C-128 dated May 7, 1956 dedicating 320 acres is correct.

Yours very truly,

SOUTHERN UNION GAS COMPANY
