Attention: Mr. L. O. Speer, Jr.

Administrative Order NSL-18

Gentlemen:

Reference is made to your application for approval of a non-standard location for your Jicarilla Contract No. 155 Well No. 7, located 750 feet from the west line and 1800 feet from the north line of Section 29, Township 26 North, Range 5 West, NMPM, Rio Arriba County, New Mexico, within a mile of the South Blanco-Pictured Cliffs Gas Pool.

It is our understanding that the request for such exception is based upon the extreme topographic relief in the NW/4 of said section 29 and that no other operator is closer than one mile in the direction where the location is less than the standard distance from the section line.

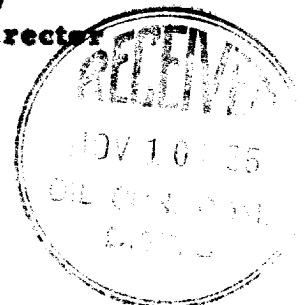

By authority granted me under provisions of Rule 4 of the Special Rules and Regulations for the South Blanco-Pictured Cliffs Gas Pool, as set forth in Order R-565-C, you are hereby granted an exception to the normal spacing requirements for your Jicarilla Contract No. 155 Well No. 7.

Very truly yours,

W. B. Macey
