Figure 1 shows a schematic diagram of a two-dimensional lattice. The lattice is represented by a grid of points. A central point is labeled '1'. Points are numbered 1 through 10. A path is indicated by arrows starting from point 1, going to point 2, then to point 3, then to point 4, then to point 5, then to point 6, then to point 7, then to point 8, then to point 9, and finally to point 10. The lattice is bounded by a dashed line.
