Oil Conservation Commission
Box 871
Santa Fe, New Mexico

Att: Mr. Warren Mankin

Dear Warren:

Reference is made to the application of the Lowry Oil Company for approval of a non-standard unit consisting of the N/2 NE/4 and the SW/4 NE/4 Section 20-26N-6W.

As the acreage is within the boundaries of the NE/4 Section 20 and as the owner of the SE/4 NE/4 has been notified of the application I see no reason why it cannot be given administrative approval under Order R-128, Rule 1, Paragraph D.

Yours very truly
