Re: Santa Fe 079185

Dear Sir:

It is hereby requested that we be granted approval to drill on the subject lease, located in the NW $\frac{1}{4}$  SE $\frac{1}{4}$  sec. 15, T. 26 N., R. 6 W., N. M. P. M., Rio Arriba County, New Mexico, Wildcat area.

This is to be well No. 1-A Scott, located 1500 feet from the south and 1750 feet from the east lines of section 15. It is impossible to drill the well on the specified footage as set forth in spacing regulations due to the rough terrain in this area.

Very truly yours,

A handwritten signature in cursive script that reads "Robert E Mead".
